DIGITAL DAY

La maggior parte di noi non lavora così.

Ma così.

- Cloud-first
- Single data store
- Connected data
- Cross-platform
- Centrally manageable
- Extend with code

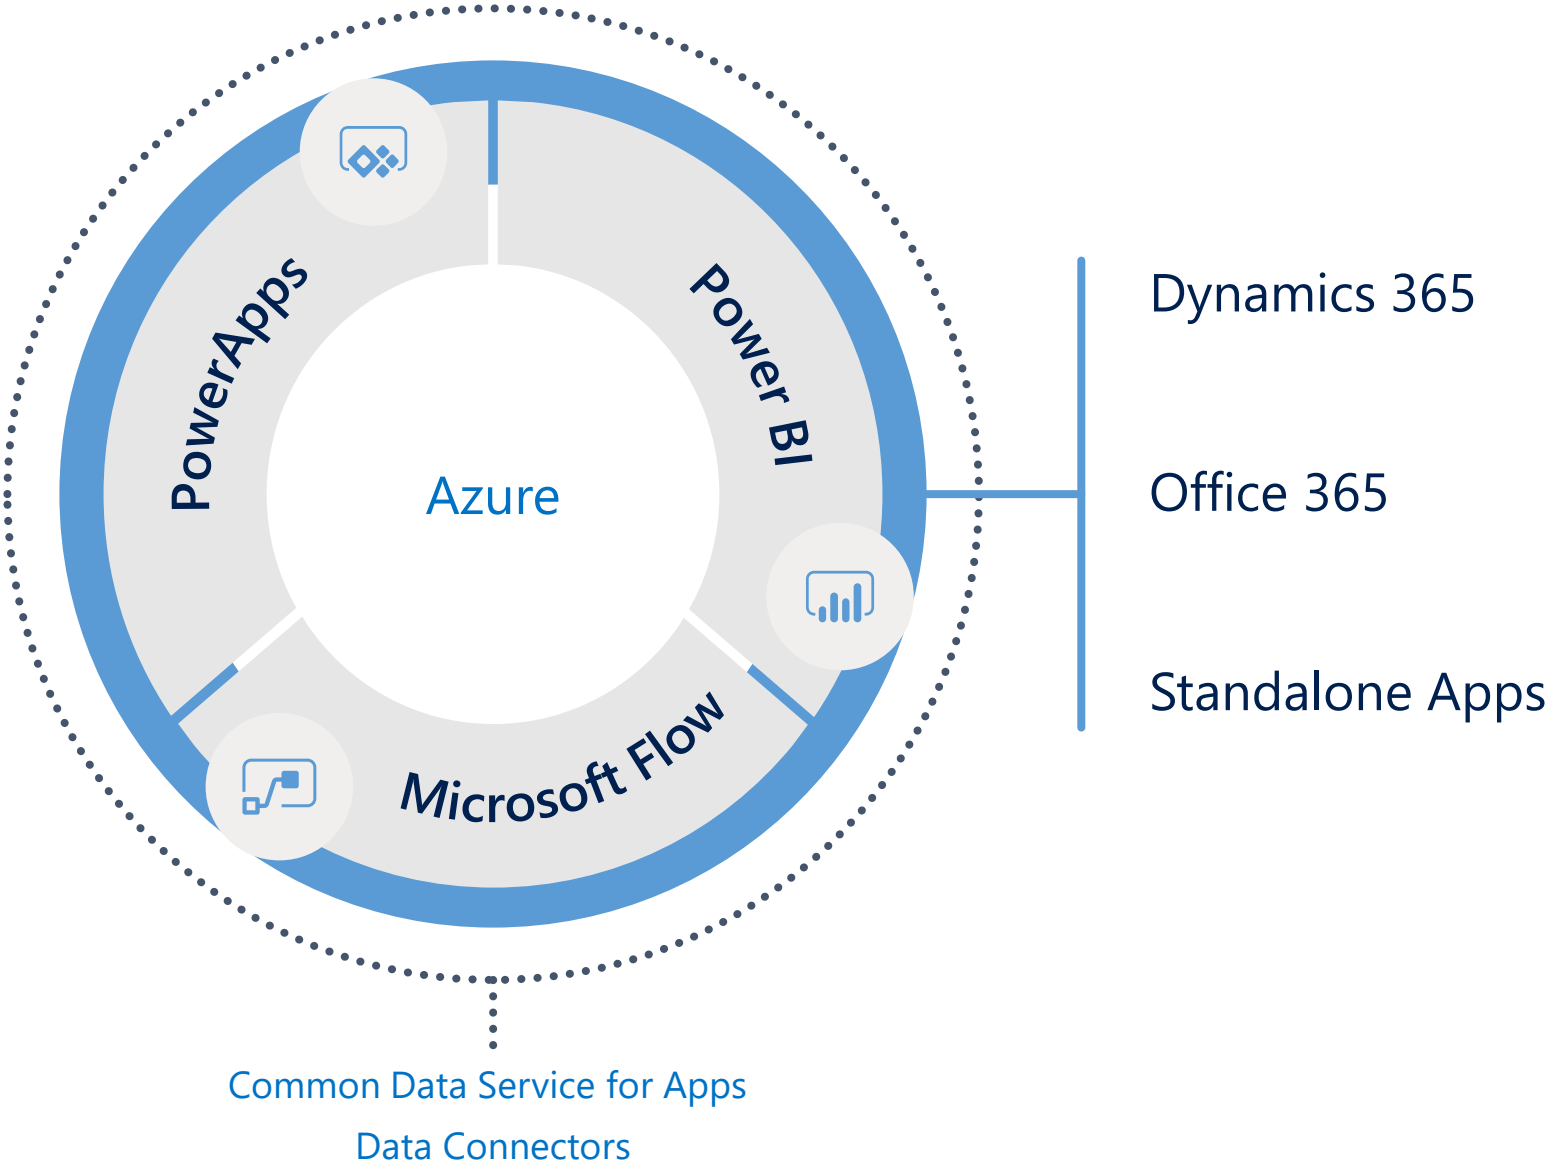

PowerApps

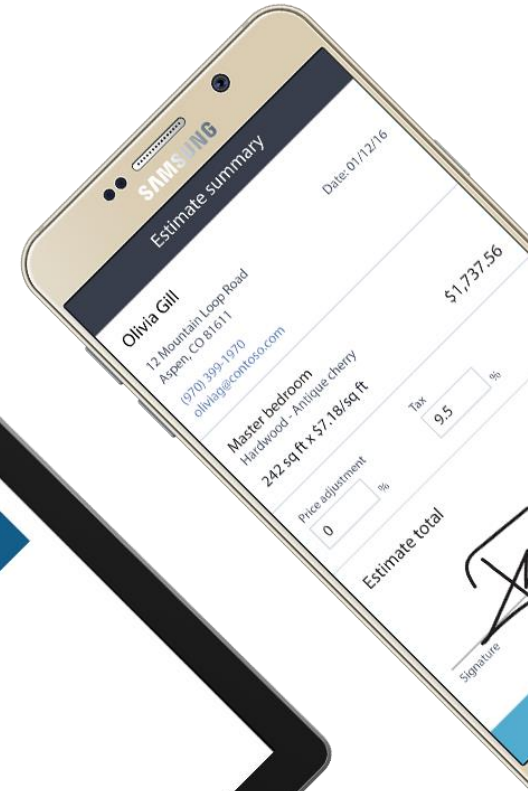

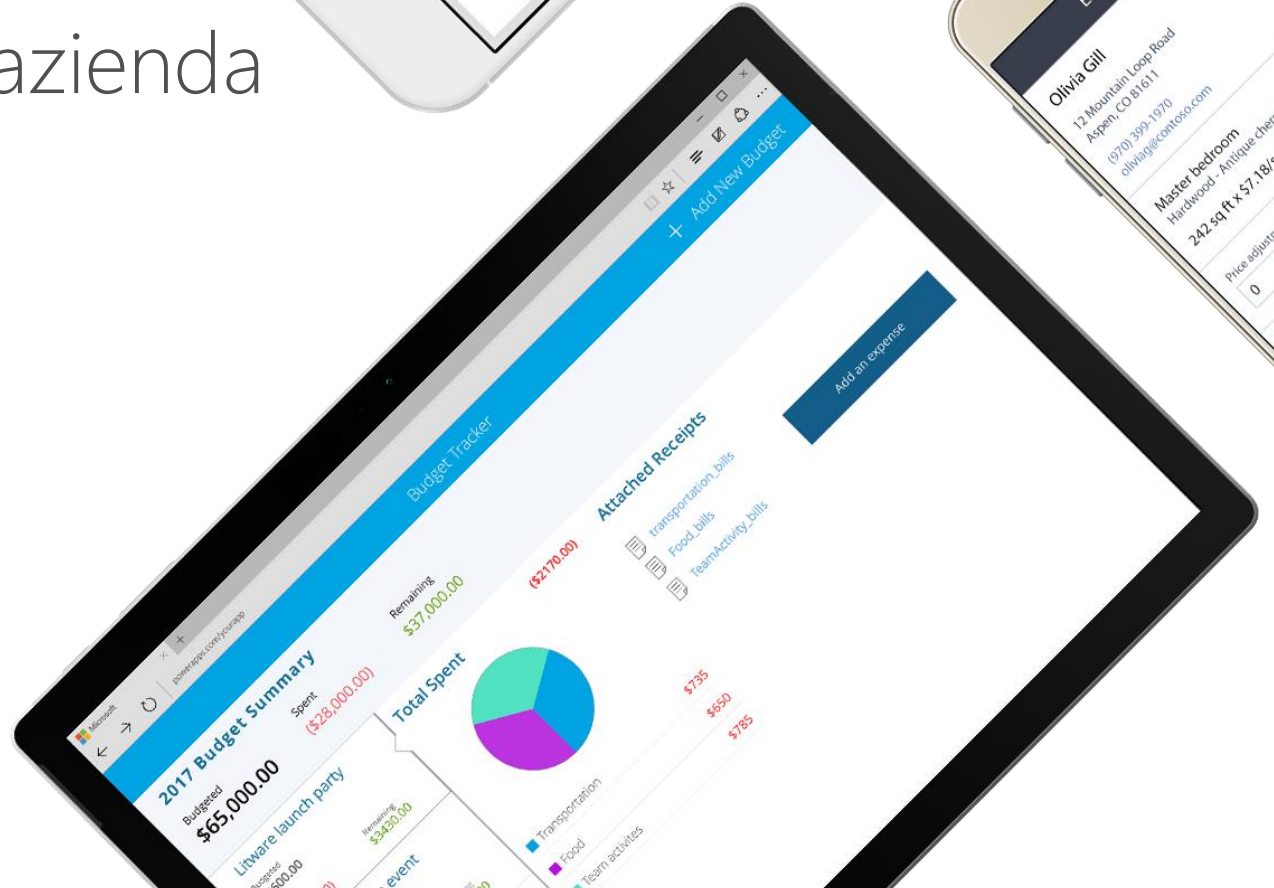

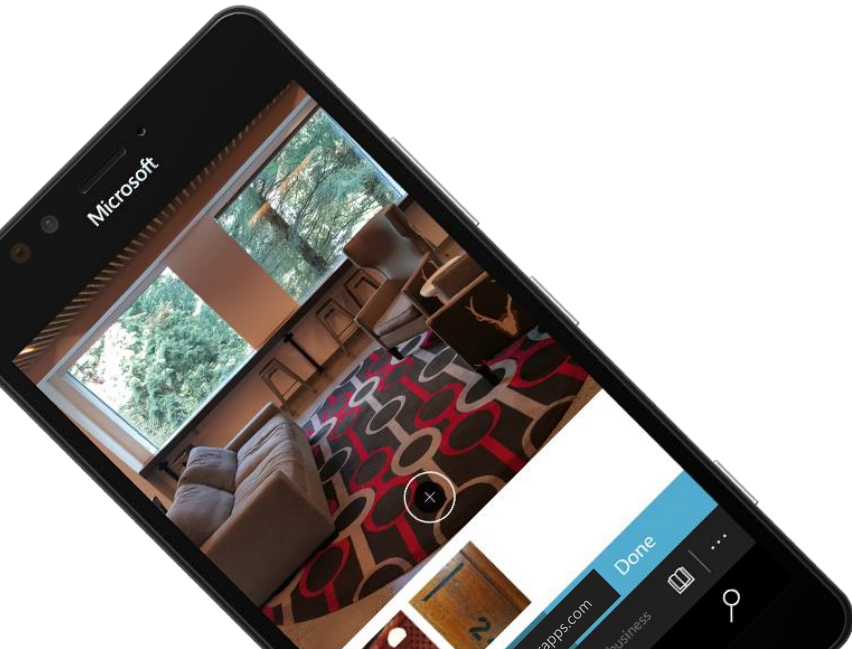

Flow

Microsoft Power platform

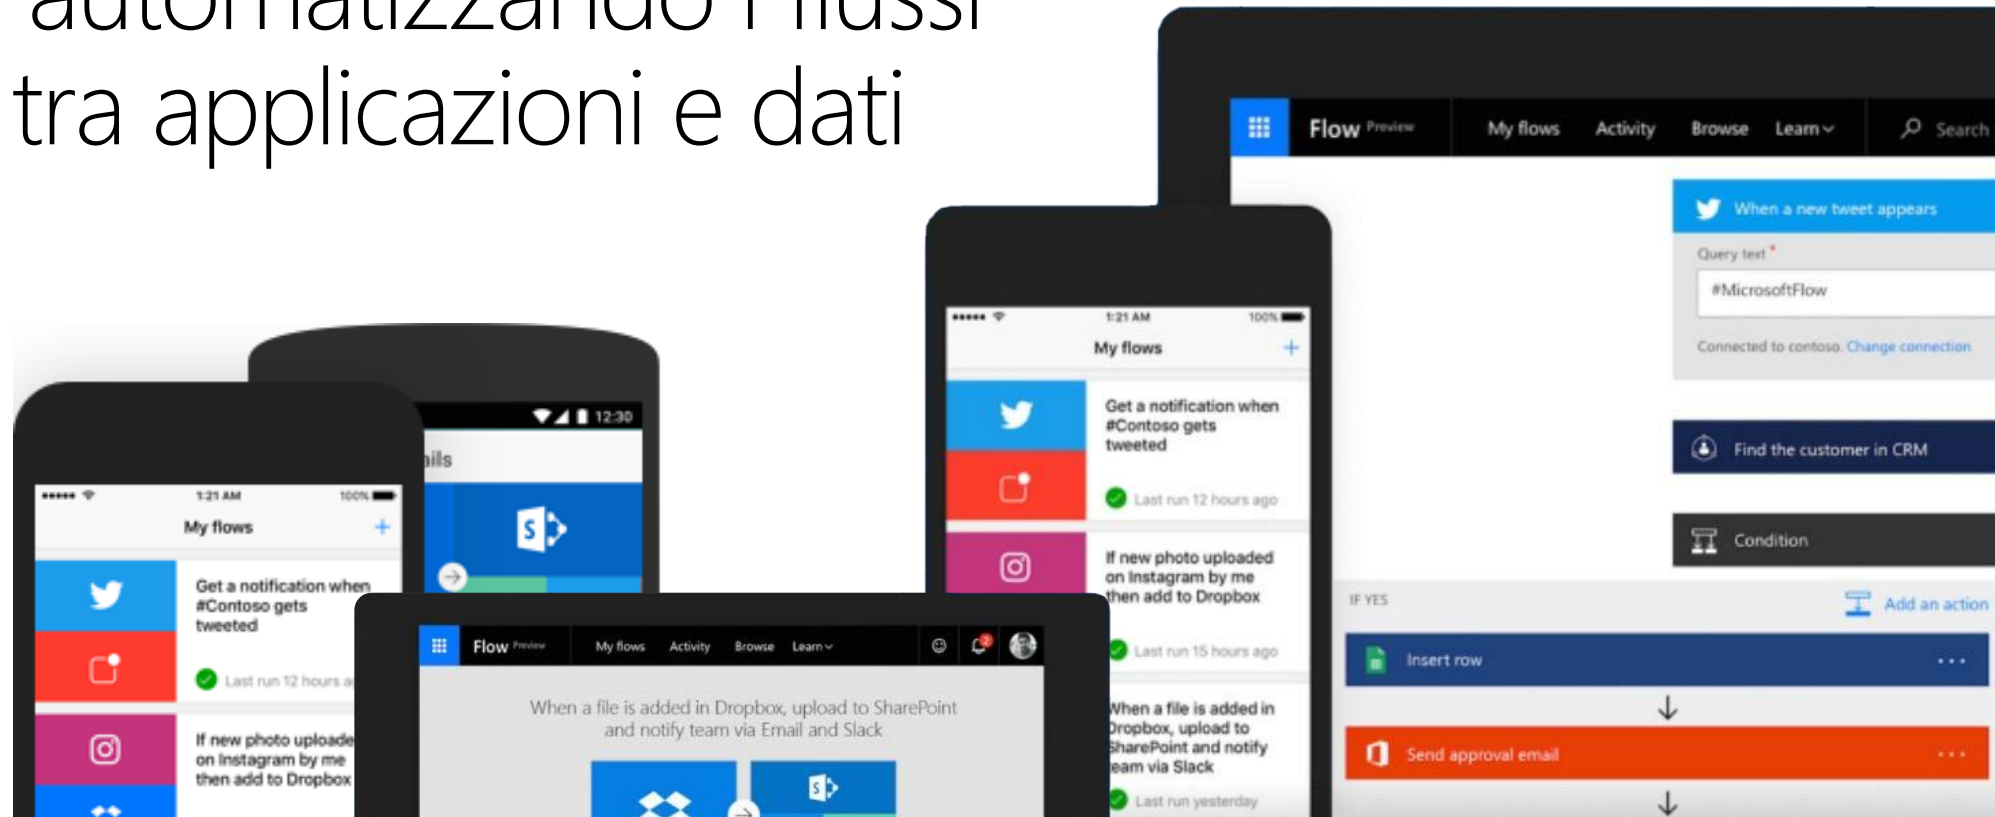

PowerApps

Sviluppa velocemente app,
automatizza i processi aziendali e
porta innovazione nella tua azienda

Lavora meno, fai di più

Microsoft Flow aiuta persone e team a lavorare in modo più intelligente automatizzando i flussi di lavoro tra applicazioni e dati

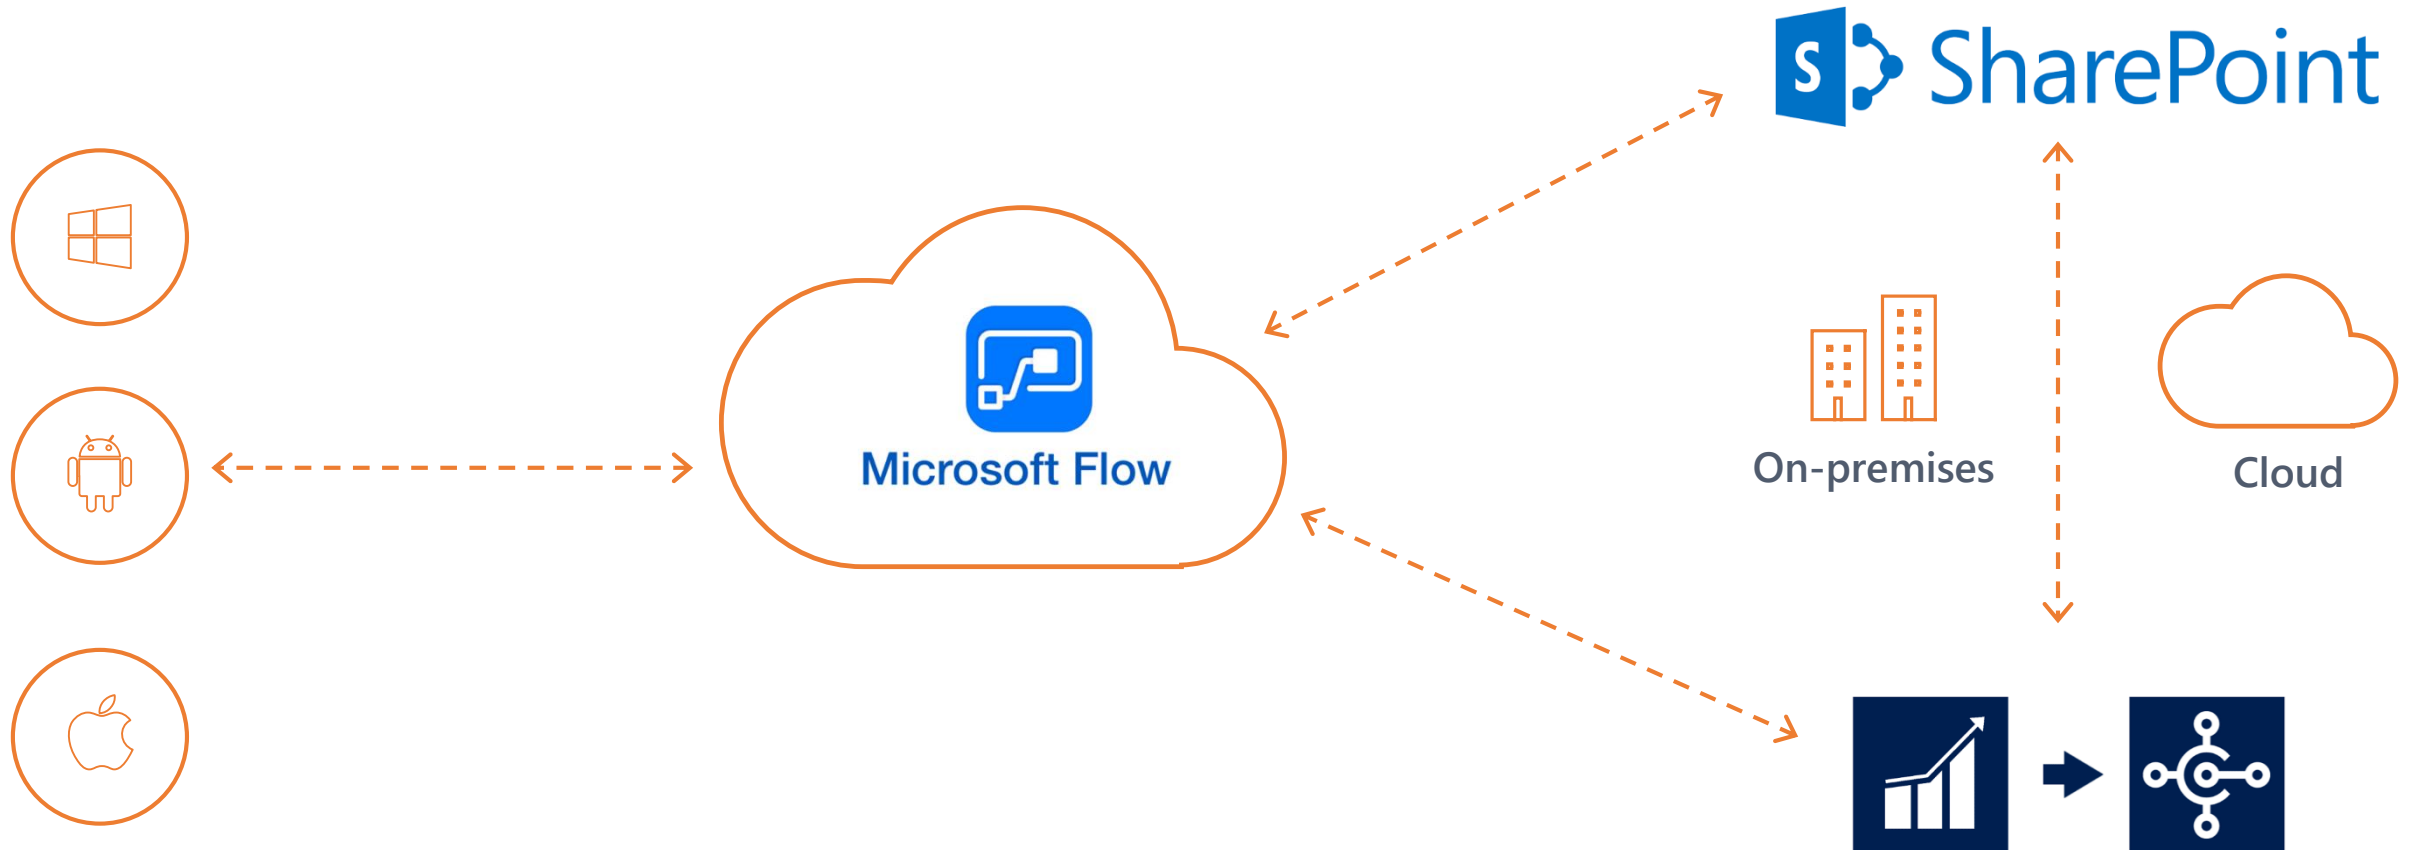

DEMO

The image features the word "DEMO" rendered in a playful, 3D style. Each letter is contained within a square tile of a different color: 'D' is red, 'E' is orange, 'M' is blue, and 'O' is green. The tiles are suspended by thin white strings, giving the impression of hanging signs. The letters are white with a slight shadow, and the overall composition is clean and modern against a white background.

My Expenses

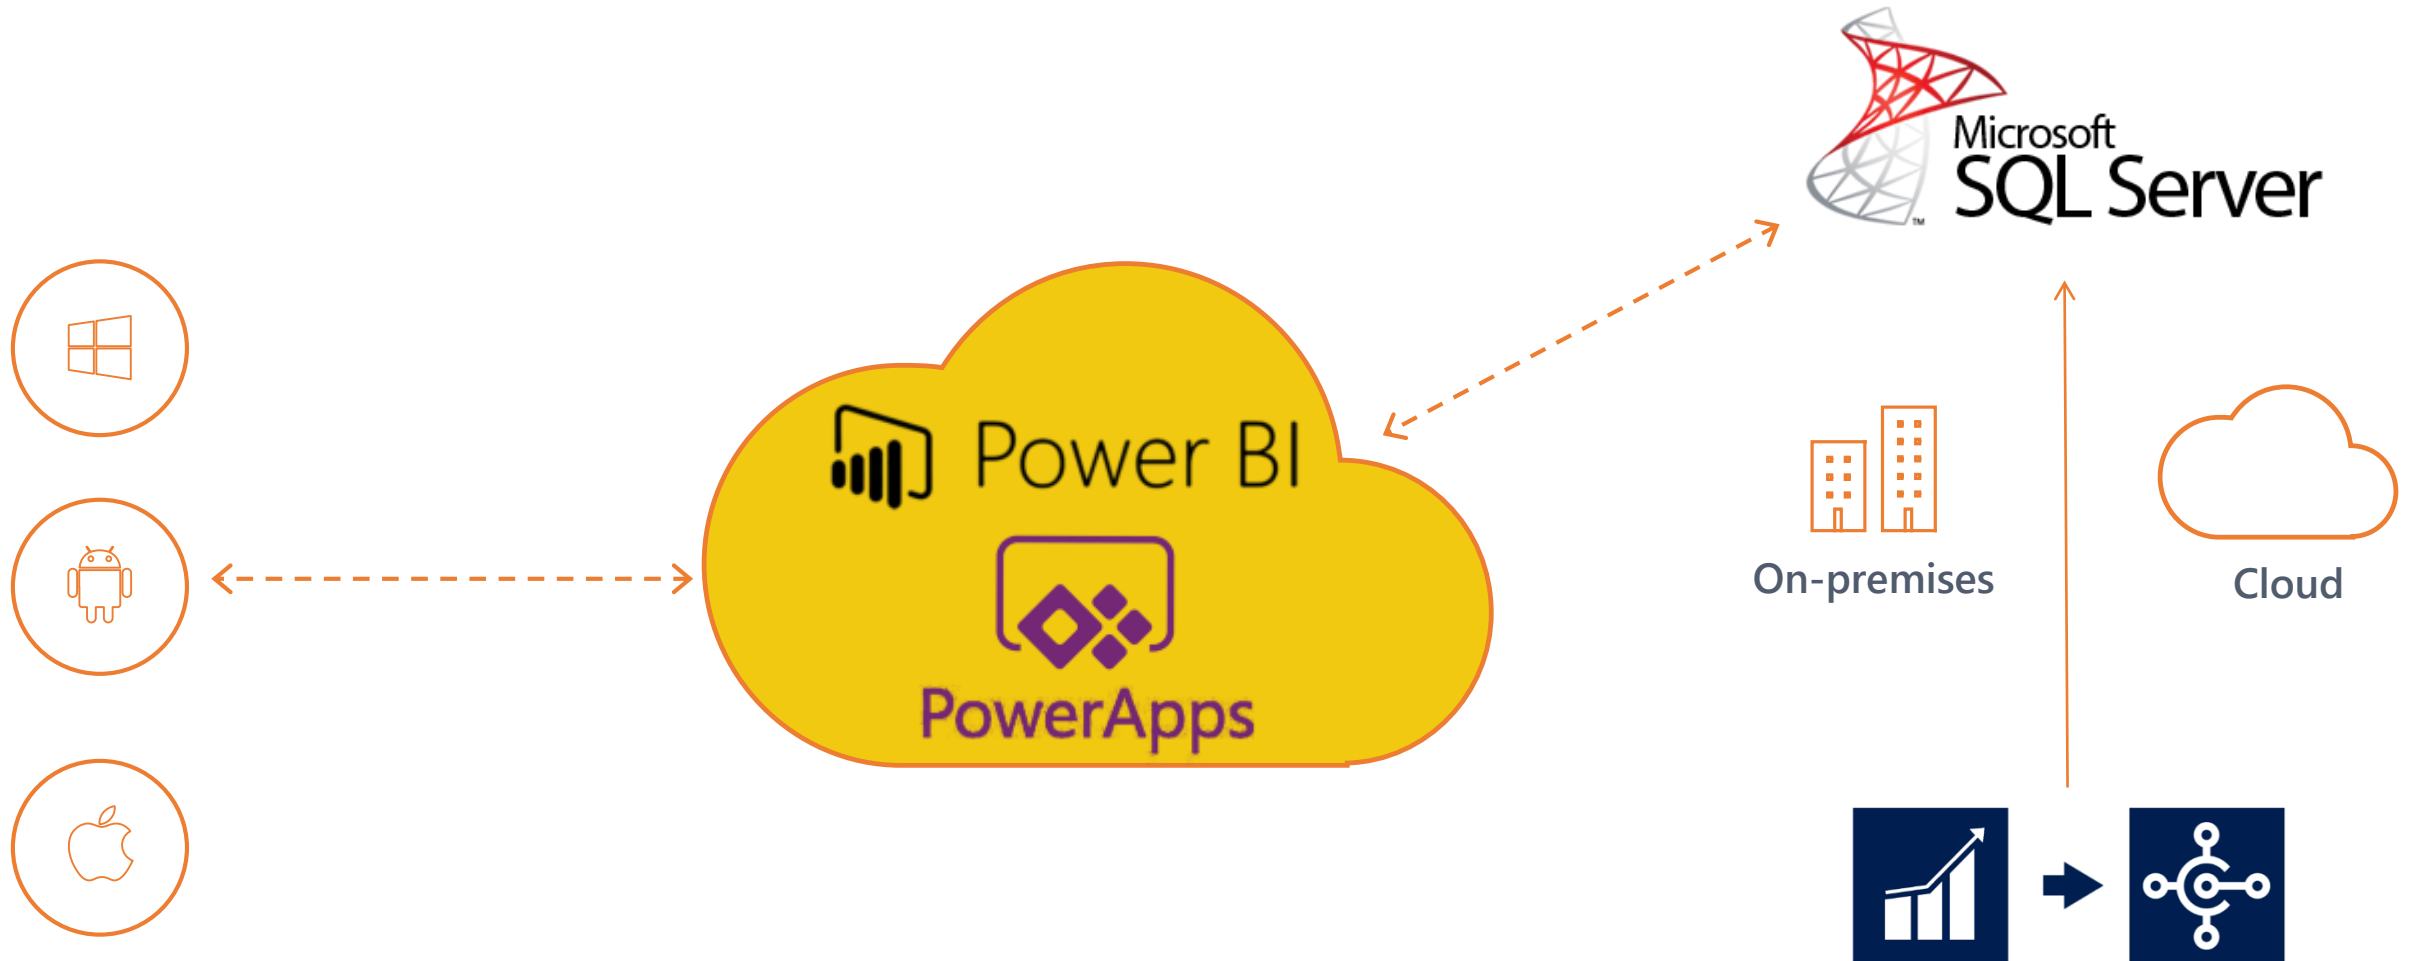

DEMO

The image features the word "DEMO" rendered in a playful, 3D style. Each letter is contained within a distinctively colored square tile: 'D' is red, 'E' is orange, 'M' is blue, and 'O' is green. The tiles are arranged horizontally and appear to be suspended by thin, light-colored strings that pass through small white circular holes at the top of each square. The background is a plain, bright white, which makes the vibrant colors of the tiles stand out. The overall aesthetic is clean and modern, typical of digital marketing or presentation graphics.

Azure Service Bus

Application Gateway
Data source connection credentials can only be decrypted by the gateway

On-premises data sources

The image features the word "DEMO" rendered in a playful, 3D style. Each letter is contained within a square tile of a different color: 'D' is red, 'E' is orange, 'M' is blue, and 'O' is green. The tiles are suspended by thin, silver-colored strings that pass through small white circular holes at the top of each square. The letters themselves are white with a slight gradient and a drop shadow, giving them a floating appearance against the plain white background.
